		(l) "Exclusive representative" means the school employee

organization which has been certified for the purposes of this chapter by the board or recognized by a school employer as the exclusive representative of the employees in an appropriate unit as provided in section 10 of this chapter or the person or persons duly authorized to act on behalf of such representative.

- (m) "Board" means the Indiana education employment relations board provided by this chapter.
- (n) "Bargain collectively" means the performance of the mutual obligation of the school employer and the exclusive representative to meet at reasonable times to negotiate in good faith with respect to items enumerated in section 4 of this chapter and to execute a written contract incorporating any agreement relating to such matters. Such obligation shall not include the final approval of any contract concerning these or any other items. Agreements reached through collective bargaining are binding as a contract only if ratified by the governing body of the school corporation and the exclusive representative. The obligation to bargain collectively does not require the school employer or the exclusive representative to agree to a proposal of the other or to make a concession to the other.
- (o) "Discuss" means the performance of the mutual obligation of the school corporation through its superintendent and the exclusive representative to meet at reasonable times to discuss, to provide meaningful input, and to exchange points of view, with respect to items enumerated in section 5 of this chapter. This obligation shall not, however, require either party to enter into a contract, to agree to a proposal, or to require the making of a concession. A failure to reach an agreement on any matter of discussion shall not require the use of any part of the impasse procedure, as provided in section 13 of this chapter. Neither the obligation to bargain collectively nor to discuss any matter shall prevent any school employee from petitioning the school employer, the governing body, or the superintendent for a redress of the employee's grievances either individually or through the exclusive representative, nor shall either such obligation prevent the school employer or the superintendent from conferring with any citizen, taxpayer, student, school employee, or other person considering the operation of the schools and the school corporation.
- (p) "Strike" means concerted failure to report for duty, willful absence from one's position, stoppage of work, or abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment, without the lawful approval of the school employer, or in any concerted manner interfering with the operation of the school employer for any purpose.
